

OZARK STOCK SHOW TO BECOME PERMANENT

Stock Show Will Be Extended Next Year to Include Other Lines.

Springfield, October 5.—Despite the inclement weather, a large crowd attended the final day of the First Annual Ozark Stock Show, at the White City show grounds, last night. The Ozark Stock Show, which will now become a permanent institution of the Ozark region, is second only to the International Show at Chicago and Royal American Show at Kansas City.

A large crowd was present for the sale of Shorthorn and Hereford cattle, which was the feature of yesterday's show. Breeders offering their stock for sale, expressed satisfaction at the prices which their animals brought. It is expected that next year the live stock display will be at least one-third larger than this year's exhibit.

Among the high schools which were represented at the exposition yesterday afternoon, were Monett, Walnut Grove, Humansville and Mansfield. The students were accompanied by their instructors, who allowed them to assist in the judging of the cattle.

The instructors stated that the Ozark Stock Show had afforded the first opportunity to study and judge any extensive display of blooded stock. The final awards on live stock were made yesterday afternoon, which completed the work of the judges in that department.

According to the present plan, permanent buildings will be erected before the 1920 showing, and the Ozark Stock Show will go down in the annals of Southwest Missouri history. Mr. Wilhoit stated that the business men of Springfield are heartily in favor of making the Ozark Stock show a permanent feature of Southwest Missouri prosperity.

At next year's exposition, it is planned to have an extensive showing of both agriculture and horticulture. This plan, if carried out successfully, will bring the Springfield show up to the standard of the largest exhibitions of this kind in the United States.

OUTDOORS IN THE FALL

Where are all the people who two or three weeks ago were sitting out on their porches in the evening, or having supper at the park or out in the country or on the beach? Gone into the house, shut the windows, and begun their winter session of eyestrain and bad air beside the evening lamp.

This does not apply, of course, to those warmer parts of the country where the sting of fall comes later or not at all, but it does apply generally to every community where the fall nip has come into the air.

What could be more foolish? There is nothing harmful to the health in cool air, rather the contrary. It is possible, by wearing a little heavier clothing, to be quite comfortable sitting out on the porch, or even on a park bench listening to a band. A hot supper cooked out of doors over a fire when the air is frosty, tastes better than at any other season of the year.

If people are to withstand the flu this winter, lungs must be kept full of fresh air and bodies vigorous with exercise. It is a mistake to hurry into the house with the first cool evening. There are health and pleasure waiting for the person brave enough to remain out of doors and laugh at the challenge of October.—St. Joseph Gazette.

WILLIAMS—BROWN

Maynard Williams and Miss Alpha Brown, both of Barry county, were married at Wagner, Okla., September 3, 1919. Mr. Williams is the son of Mr. and Mrs. Dave Williams and his wife is the daughter of Mr. and Mrs. Blonnie Brown.

GROCERY STORE ROBBED

John Fly's grocery store on Central avenue was entered Friday night and robbed of flour, meat, cigarettes, tobacco and other articles to the amount of several hundred dollars. The robbers gained entrance to the store by breaking the front and side windows. Blood hounds were put on the trail early this morning but no trace of the thieves was found.

Wheaton is to have an ice plant and will build a concrete building 80x100 feet in size.

NOTICE OF FINAL SETTLEMENT

All creditors and others interested in the Estate of John Reid deceased, are notified that the undersigned Administratrix of said Estate, intends to make a final settlement of said Estate at the next term of the Probate Court of Barry County, to be held at Cassville in said County, on the 10th day of November 1919.

MATTIE REID, Administratrix. This 26th day of September 1919. First insertion October 3.

BOUGHT BUILDING ON BROADWAY

J. L. King, the produce man, has bought the building on Broadway occupied by the A. M. Hall grocery store. Mr. Hall is selling out his stock of groceries and will retire from active business.

Mr. King will take possession of the building in about a month and will enlarge his stock of produce and will wholesale fruit.

DR. I. HENSON DIES AT GALENA

Dr. I. Henson, sixty years old, died at his home at Galena, Thursday, October 2, from a complication of diseases. Dr. Henson was one of the oldest residents of Galena, and one of the most prominent physicians of Stone county. At the last election of the Southwest Missouri Medical Society Dr. Henson was elected vice-president.

Funeral services were held at 2 o'clock, Sunday afternoon at the Henson home in Galena and interment was made in the Galena cemetery.

Dr. Henson was the father of Judge Charles Henson, of Mount Vernon. He was an uncle of Mrs. H. A. Gardner, of Monett.

ROAD THROUGH OZARKS NEAR COMPLETION

Eureka Springs, Ark., Oct. 3.—The completion of the Jefferson highway, through the Ozark country and Carroll county will be worth a great deal to Eureka Springs. It will be turned into an all round resort, since the highway was completed from Seligman, Mo., to this place, a distance of 21 miles at a cost of \$12,000 per mile.

The highway is being built with convict labor and 175 convicts are rushing the work on to the Boone county line.

The Crane Construction company of Springfield has charge of the work and one of the finest camps in the south is located between here and Berryville. Seventy-five head of big mules, with road grader scrapers, and other heavy machinery are being used. Over 600 cars came to Eureka Springs during August and September from Missouri, Kansas, Oklahoma and Nebraska.

SUGGESTIONS TO SHIPPERS OF FREIGHT

Walker D. Hines, Director General of Railroads, says:

I earnestly urge all shippers and receivers of freight to redouble their efforts to promote freight car efficiency.

Shippers of freight can assist.

1. By loading all cars to full visible or carrying capacity.
2. By prompt loading and release to the carrier.
3. By ordering cars only when actually required.
4. By eliminating the use of railway equipment in trap or transfer service when tonnage can be handled by motor truck or wagon.
5. By reducing the diversion and reconignment of cars to a minimum.

Receivers of Freight can assist.

1. By prompt unloading of cars and notice thereof to the carrier.
2. By ordering goods in quantities representing the full safe carrying capacity of cars and disregarding trade units.
3. By ordering from the nearest available source.
4. By pooling orders so as to secure full car load.

A resumption of intensive loading will not merely require the number of cars under load but will also relieve congested terminals where it is a question of track room rather than of equipment.

With a strong concerted effort on the part of the Railroad Administration and the shippers and receivers of freight, it is hoped that during the period of abnormally heavy traffic with which we are now confronted the nations transportation needs may be met with reasonable satisfaction to all parties.

I earnestly ask the continued and even more effective co-operation of all shippers and receivers of freight.

DEATH PENALTY LAW REVIVED IN STATE

Attempt to Provide Electric Chair in Place of Gallows Defeated.

The Missouri capital punishment law passed by the extra session of the Fifteenth General Assembly, which gives the jury power to impose the death penalty for six offenses, went into effect at 12 o'clock (midnight) last night.

The law is not applicable to capital offenses which have been committed since its enactment by the Legislature or before, in which the accused are awaiting trial, according to lawyers.

Offenses for which a jury, at its option, may proscribe the death penalty are: First degree murder, rape, train robbery, kidnaping, treason and suborning testimony in capital cases.

Hanging is provided as the method of inflicting the death penalty. Some of the members of the Legislature, among them Representative J. W. Campbell of Cedar County, tried to amend the bill to provide for electrocution to take place at the Penitentiary, where it was proposed to install a death chair. This was defeated.

MONETT BOY'S BAND GAVE CONCERT

The Boy's Band gave a concert on the street Saturday afternoon and also played at the football game between Monett Band Boys and the Verona High School team.

WOMEN'S UNION HAS INTERESTING MEETING

The Women's Union of the Presbyterian church had a very interesting meeting at the church, Friday afternoon. A missionary program was given in which Mrs. W. D. Steele, Mrs. A. Cole and Mrs. D. A. Peters, had a part. The pastor, Louis C. Stumpf, gave an interesting talk, outlining the work of the church for the fall and winter. Music was given by Mrs. M. C. Shipley, who played an organ selection, and by Mrs. H. T. Osborn, who sang a solo.

A dainty lunch of home made white and dark cake and ice cream was served in the basement. The hostesses had converted the basement into a bower of beauty. On the south side of the room they had arranged a bank of sumac and sassafras bows, which are now in their brilliant autumn hues. On the tables were bouquets of nasturtiums and maiden-hair fern, tea roses and cosmos. At each plate was a spray of the brilliant salvia. The most of the flowers were from Mrs. S. C. Dow's garden.

The hostesses for this most enjoyable meeting were Mrs. H. P. S. Burke, Mrs. H. A. Gardner, Mrs. C. H. Johnson, Mrs. S. C. Dow and Mrs. N. Lemaster.

Mrs. Bert Limebarger and children visited relatives at Granby Saturday and Sunday.

Mr. and Mrs. Jock Avaro and son Edward have gone to Houston, Tex., to visit relatives.

Miss Grace DeBrosse spent the week end with Mr. and Mrs. O. W. Epperson at Neosho.

Neodesha, Kan., Oct. 3.—Eighty boilermakers and helpers, employed at the Standard refinery here, went on strike today. The men are asking for increased wages and a working contract. The plant employs 700 men. The boilermakers are now receiving 77 cents an hour, and the helpers 56 cents.

MANY ATTEND RALLY DAY SERVICES

The Presbyterian and Baptist congregations held special rally day services on Sunday. Large congregations attended all services.

VERONA WINS GAME FROM BAND BOYS

The Verona high school foot ball team played the Monett Boys Band at this place, Saturday afternoon. Verona sent their first team instead of the second as the Band Boys expected, so the local boys were very much outwitted. They did their best, however, and Verona did not score until the last quarter in a forward pass. The score was 6 to 0 in favor of Verona.

The Band Boys expect to play with an Aurora team next Sunday on the local grounds.

MEETING OF P. E. O. CHAPTER

P. E. O. Chapter CN met at the home of Mrs. J. F. King, Friday evening. Mrs. King, Mrs. Arthur Anderson and Mrs. O. Otterman were the hostesses. Mrs. Dan B. Meador, who is a member of Chapter X at Milan, Mo., was a guest. Light refreshments were served.

Members present were Mrs. H. H. Westbay, Mrs. Solon Wright, Mrs. Wm. E. Gray, Mrs. D. N. Jewett, Mrs. Frank Buckley, Mrs. D. A. Peters, Mrs. H. P. S. Burke, Mrs. O. O. Otterman and Mrs. J. F. King.

Mrs. John O'Connell and son, John Hall, went to Hugo, Okla., Saturday morning to visit relatives.

PLANS FOR RED CROSS DRIVE BEGINS

Reasons for Maintaining Organization At Present High Efficiency Are Given.

Plans for the nation-wide Red Cross campaign, opening Monday, November 3 and closing Armistice Day, November 11, are being begun in every city, town and county by Red Cross workers. The primary object of the campaign, which will be known as the Third Red Cross Roll Call, will be to enroll members for 1920. Twenty million members will be sought throughout the country, and in the Southwestern Division of the Red Cross, comprising the states of Missouri, Kansas, Texas, Oklahoma and Arkansas, the quota has been set at 2,000,000 members.

It is the consensus of opinion that the coming drive is the most important ever undertaken by the Red Cross, inasmuch as the results will determine to a large extent the possibilities of future Red Cross endeavors.

For every use.

On buildings with broad roof areas, on soaring sky-scrapers, and all kinds of farm buildings, **Certain-teed Roofing** is giving lasting and complete weather protection.

On every sort of building it is turning back rain and snow, heat and cold, year after year, with almost no up-keep cost. Severest weather cannot affect it.

Certain-teed Roofing is easily and quickly laid by anyone who will follow the directions that come with the roll. It costs less than the ordinary kind of roofing—and lasts much longer. It sturdily stands against sparks—a real fire protection. It cannot corrode or rust.

For your buildings new or old—large or small—in the city or country—**Certain-teed** is the logical roofing investment.

Certain-teed is made in rolls, both smooth and rough surfaced (red or green)—also in handsome red or green asphalt shingles for residences. **Certain-teed** is extra quality—the name means certainty of quality and satisfaction guaranteed. It will pay you to get **Certain-teed**—most dealers sell it. Ask for **Certain-teed** and be sure to get it.
